OUR MISSION

The mission of NHSAA is to be a credible and compelling voice of educational leadership in creating an exemplary and comprehensive education for all public-school students and in providing high quality services to its membership.

Our guiding principles are to:

- Champion efforts designed to successfully provide for the needs of all children.
 - Effectively advocate for an equitable and comprehensive public education for all children, wherever they may reside.
- Take every opportunity to assert and defend the idea that public education is a public good and that is essential to our democracy and economy.
- Promote the development and sharing of effective leadership and educational practices that ensure the prudent stewardship of public resources.
 - Lead in providing timely substantive learning opportunities to educators in N.H. and New England.
- Build NHSAA into a highly productive organization that consistently seeks new ways to identify and meet member's needs.

We believe it is both an honor and a responsibility to reaffirm the worth and dignity of every child, to champion this cause, and to create an enlightened citizenry.
