Addendum

Please note the additions to our schedule:

	Concurrent Session A 10:30-11:30	Concurrent Session B 11:45-12:45
<i>Salon C</i>	<p>Socrademy: The Move to #RethinkHighSchool Come explore the design, development and creation of an innovative model of high school as seen through the eyes of students, educators, and community members as they competed for the XQ America Super School Project. This session will walk through the challenge itself, the model the students created, and an interactive Q/A designed to share ideas on how we can collectively develop a high school for the future here in the Granite State! <i>~ Justin Ballou, Social Science Educator and Entrepreneur</i></p>	<p>Socrademy: The Move to #RethinkHighSchool Come explore the design, development and creation of an innovative model of high school as seen through the eyes of students, educators, and community members as they competed for the XQ America Super School Project.
