This workshop will assist New Hampshire K-12 educators in responding and preventing bullying and cyberbullying incidents, including defining, understanding, and intervening in bullying situations and many digital behaviors, such as cyberbullying and other challenges like social media misuse and sexting. The presentation also covers how to help students be more resilient and less impacted by bullying and cyberbullying. Overall, the workshop is designed to be very concrete; all information is research-based, practical, and immediately applicable. This highly-rated workshop is being offered for the first time in New Hampshire.

*A 15 minute break will be provided during this session.
